

Internship Programme

RERA Assam may encourage internship programmes for students from IIT Guwahati, Assam Engineering College (AEC), and National Law University and Judicial Academy, Assam (NLUJAA) to provide practical exposure to the legal, technical and administrative functioning of the Authority.

During the internship, students may be given an opportunity to learn about:

- ✓ RERA Act, Rules and Regulations;
- ✓ Registration and monitoring of real estate projects and agents;
- ✓ Complaints, adjudication and regulatory compliance;
- ✓ Technical and digital aspects of project monitoring;
- ✓ Case studies, orders and regulatory procedures.

Interns may be required to **submit an internship report** and/or undertake a short research/project assignment at the end of the internship.
